B/R 8/10/12 The promotions may be sanctioned but about the payment of DA to the Headmaster it has been stated that the rule in the Normal School may not be regarded as binding as the College classes for which the amount of Rs 22 set free by grading the Headmastership may be again taken up for sanction owing upon another case. As teaching of Vernaculars has stopped in Bangalore this must lead to a reduction in the scale and the promotions need therefore be permissible at all in placing them effected in consequence
